Farmers Market season begins! — The Harrisonville Farmers & Artist Market on the Historic Harrisonville Square will kick off on **June 1!**

Hours are Saturdays from 8 a.m. until noon. The market runs through the month of September, and during the 2024 Log Cabin Festival!

HAPPENING NOW! — We are excited to let you know that demolition of the old Cass Regional Medical Center on Mechanic Street is underway!

We look forward to the opportunity for this blighted structure to be removed from our community and to the innovative new development that will take its place.

And while we are very happy about this, we do want to give out a few quick reminders:

1. This is a very large structure, so the process to fully demolish the site will take quite some time.
2. This is considered an active construction site. Please do not attempt to walk or drive onto the site for any reason.

Have you filled out your Lead Service Line Survey?

The City of Harrisonville's Combined Water & Sanitary Sewer Department needs your help to identify the material of the water service line coming into your home.

Customers who submit the survey with complete information by May 31, 2024, are eligible to receive \$20 off of a future utility bill. To complete the survey, scan the QR code, visit www.harrisonville.com or stop by City Hall to fill one out in person.

Water Quality Report – The 2023 Consumer Confidence Report on Harrisonville water has been published! Visit the Water Treatment Department page of www.harrisonville.com or <https://ci.harrisonville.mo.us/DocumentCenter/View/10950/2023-CCR-Water-Quality-Report?bidId=>
